Letter of Recommendation

It is a great pleasure to provide this recommendation letter on behalf of Ms. Maimouna Jallow.

IGAD's Conflict Early Warning and Response Mechanism (CEWARN) engaged Ms. Jallow in April 2021 for a short-term communications consultancy. Ms. Jallow designed and conducted a basic communications training for leaders and technical personnel of CEWARN's national offices across seven member countries in the IGAD region as well as CEWARN's regional office staff in Addis Ababa.

She was also commissioned to produce a summary version of CEWARN's Communications Strategy document.

Ms. Jallow is a highly-competent communications expert and brings great breadth and depth to her communications work given her experience in media, non-profit sector, performing arts and film making. She was able to craft and run the training program in a way that is suitable and relevant to participants from CEWARN's national and regional constituencies.

Ms. Jallow is also strategic, thoughtful and easy to work with.

CEWARN wishes her success in her subsequent assignments and we will be happy to answer any questions regarding her engagement with CEWARN.

With Regards,

**Camlus Omogo (Mr.)
Director, CEWARN**
